Certain business segments in the published financial statements have been reclassified to provide better clarity on business performance. The corresponding prior period figures have also been reclassified to conform with the revised classification. Consequent to these changes, the segment numbers in this press release are strictly not comparable with the earlier press releases.
The **Textile** segment sales for the quarter ended 30 September 2013 witnessed an increase of 7% at Rs 559 Crores on the back of higher realization in domestic as well as in the export segment. EBITDA margins for the quarter improved by 192 bps to 27%.

The **Apparel** segment sales stood at Rs 254 Crores, an increase of 9% on YoY basis. EBITDA margins expanded by 88 bps to 8%.

The **Retail** stores count as at 30th September 2013 stood at 946 across all formats, including 41 stores in the Middle East and SAARC region covering over 1.8 million square feet of retail space. During the quarter ended September’13, like to like sales growth across all formats stood at 3%. Secondary sales through the exclusive retail channel grew by 8% y-o-y.

The **Garmenting** segment grew by 17% to Rs 118 Crores during the quarter. However, EBITDA for the quarter was impacted by Forex losses of Rs 5 Crores (vs Gain of Rs 1 Crore in last year), mainly due to MTM provisioning on unexecuted orders.

The **Cotton shirting fabric** business (Raymond Zambaiti Limited) grew by 12% to Rs 88 Crores during the quarter. However, EBITDA for the quarter was impacted due to higher input costs and lower exports. During the quarter, Raymond Zambaiti Limited has become a subsidiary of Raymond Limited w.e.f 18th September 2013 and results of Raymond Zambaiti Limited have been consolidated accordingly.

The **Denim** business witnessed a 11% sales growth during the quarter and stood at Rs 236 Crores backed by higher realisation in the domestic as well as in the export markets, while EBITDA stood at Rs 23 Crores.

Sales in the **Tools & Hardware** segment grew by 22% to Rs 114 Crores led by both domestic as well as export market. EBITDA margins increased by 110 bps to 13%.

Sales in the **Auto component** segment declined by 5% to Rs 51 Crores. EBITDA margins improved by 240 bps to 13%.
Announcing the results, Mr. Gautam Hari Singhania, Chairman & Managing Director, Raymond Limited said, “We’ve completed half year of FY 13-14 on a positive note. This has been possible due to our confidence in our Brands, Product quality and Strong pan-India distribution network, coupled with continued thrust being given on strategic and tactical plans. We continue to remain bullish on the Indian consumption story. Our strategy to enter and consolidate our presence in smaller towns and cities with our iconic brands is giving desired results. We will continue to focus on improving operational efficiencies, strengthening of our brand portfolio and expanding retail coverage to consolidate our end-to-end leadership position in the industry”.
